ACAAI 2021 Annual Scientific Meeting

Promoting Innovation and Diversity

Brian T. Kelly,
MD, MA, FAAAAI
Annual Meeting
Program Chair

ACAAI is excited to bring you the 2021 Annual Scientific Meeting, November 4 – 8. We are proud to be the first major allergy meeting to regroup in person and we are looking forward to seeing you this fall!

These past months have been very difficult for all, and we know that getting back to an in-person meeting will be meaningful in many ways. Join us in New Orleans for a diverse, interactive, and practical

experience. The Annual Meeting Program Committee has developed outstanding sessions with Podium to Practice™ tips that you'll be able to integrate into your practice immediately.

Experts in the field of allergy/immunology, dermatology, pulmonology, and otolaryngology will cover a broad range of topics to choose from. There is something for everyone – clinicians, academicians, fellows-in-training, allied health professionals, office managers and support staff.

The traditional Thursday program returns this year with a laser focus on dermatologic issues in allergy.

COVID-19 will be highlighted from the allergist/immunologist perspective throughout the meeting, including the plenary session on Sunday, November 7 titled "Innovating Our Way Out of the Pandemic: Vaccines and Therapeutics." Don't miss it!

Favorite sessions from years past such as the Literature Review, Allied Health Course, FIT Bowl, and CAP Review will be back in all their glory!

Exciting session topics include climate effects on allergy, ICS/SABA vs ICS/LABA for mild asthma, 7 for 11 pediatric update, oral immunotherapy in private practice, and many others! The Office Administrator Course, now expanded to include physician practice leaders and renamed the Practice Management Program (PMP), also is scheduled, so please remember to include your office staff.

Finally, many of our social programs will be back, including the President's Welcome Reception, which will be held at the world-famous Mardi Gras World.

In addition to all the great education that will be offered, the meeting will enable you to reconnect with many of the friends and colleagues you've missed so dearly during the pandemic. We cannot wait to see you in New Orleans!

ACAAI 2021 Annual Scientific Meeting

Registration Information

Your registration fee includes access to all general sessions, including symposia, plenaries, oral and ePoster abstract sessions, Ask the Expert Roundtables, Clinical Conundrums, Interdisciplinary Panel sessions, Pro-Con Debates, Product Theaters and Non-CME Corporate Forums, as well as the exhibit hall and various social events. It does not include the optional Thursday Dermatology Program, Annual Literature Review, Hands-on Workshops or other courses with a separate registration fee.

Registration as an allied health practitioner includes access to the Allied Health Professionals Course and the Advanced Practice Healthcare Providers Course, as well as all general sessions and other non-ticketed events.

Registration as an office administrator includes access to the Friday Practice Management Program (PMP).

Due to limited seating capacity, admission to all general sessions will be on a first-come, first-served basis. Pre-registration is not required unless otherwise noted.

What's New in 2021

- The Office Administrators Course has changed to the Practice Management Program (PMP). This one-day program is designed for office administrators and physician practice leaders alike and delivers dynamic updates on efficiently and effectively running your practice.
- "Symposium+" sessions have been added to the schedule. Demonstrations of the effective use of devices and allergen mixing protocols will be conducted onstage and projected onscreen for simultaneous attendee viewing.

To register for the meeting, visit annualmeeting.acaai.org.

Health & Safety

The safety and well-being of all ACAAI Annual Meeting attendees and exhibitors is a top priority of the College. We are closely monitoring the situation related to COVID-19 and plan to adhere to the Centers for Disease Control (CDC) guidelines, along with any federal, state and local government mandates in place at the time of our meeting.

The primary goal will be to maintain transparency and accurately convey the health and safety measures being taken at the Annual Meeting. As such, ACAAI will communicate what attendees can expect on-site in terms of social distancing requirements, masking protocols and safety precautions prior to the meeting based on current guidance. ACAAI also:

- Encourages all attendees to receive a COVID-19 vaccination and if necessary, be tested prior to arrival.
- Encourages all attendees to bring their own PPE.
- Encourages all attendees to complete a "Self-Assessment" health checklist daily before leaving their hotel room.
- Encourages all attendees to self-monitor for COVID-19 symptoms and to stay in their room if they are exhibiting any symptoms. [NOLA Ready](#) is a site that is constantly updated with available testing resources.
- Is requiring all attendees and exhibitors to complete a form/waiver during the registration process, agreeing to follow any safety protocols that are in place or risk expulsion from the meeting.
- Will provide guidance regarding new meeting etiquette and utilize on-site signage to reinforce established health & safety measures.
- Will ensure hand sanitizing stations will be readily available.
- Will arrange for a First Aid Station to be staffed during show hours to provide assistance to any attendee who requires medical services.

All health and safety protocols are subject to change. ACAAI will post any new protocols to the Annual Meeting website as they become available.

ACAAI 2021 Annual Scientific Meeting

Housing Information

The ACAAI Annual Meeting will be held at the Ernest N. Morial Convention Center and the Hilton New Orleans Riverside hotel. The convention hotels include the Hilton New Orleans Riverside, Embassy Suites Convention Center, Marriott Warehouse Arts District, and the Hyatt Place Convention Center hotels. All hotels are within walking distance to the convention center.

Hotel reservations must be made through onPeak (the official ACAAI Housing Bureau) either online or by phone. A credit card guarantee is required. The hotels will not accept reservations directly.

Hotel Room Rates:

Hilton New Orleans Riverside Hotel (Headquarters) (3 blocks from Convention Center)

Standard: \$259 Single / Double
(+16.2% tax + \$3 per room night)

View: \$269 Single / Double
(+16.2% tax + \$3 per room night)

Executive: \$279 Single / Double
(+16.2% tax + \$3 per room night)

Embassy Suites New Orleans Convention Center Hotel

(2 blocks from Convention Center)

Standard: \$199 Single / Double
(+16.2% tax + \$2 per room night)

Premium Balcony: . \$229 Single / Double
(+16.2% tax + \$2 per room night)

New Orleans Marriott Warehouse Arts District Hotel (Across the street from Convention Center)

\$249 Single / Double
(+16.2% tax + \$2 per room night)

Hyatt Place New Orleans Convention Center Hotel (Across the street from Convention Center)

\$229 Single / Double
(+16.2% tax + \$1 per room night)

For best availability, make your reservation at:
<https://compass.onpeak.com/e/61ACAAI2021>

800-584-9034 (U.S. & Canada)
312-527-7300 (International)
Mon – Fri, 9:00 am – 5:30 pm ET

You also may contact ACAAI housing via our support center by emailing ACAAI@onpeak.com.

The deadline for hotel reservations is Friday, October 1.

Hotel reservations/rate availability are not guaranteed after the room block is full or after **Oct. 1, 2021**. Please register early – only a limited number of rooms are available at each hotel.

Warning! onPeak is the only official hotel provider associated with the ACAAI Annual Meeting. We have received reports that other companies are posing as official travel vendors for the Annual Meeting and may contact you offering hotels for your trip. They are not endorsed by or affiliated with ACAAI or ACAAI Annual Meeting and entering into financial agreements with such companies is not advised.

Airline Travel Information

To book your airline reservation, call ACAAI's official travel agency, Uniglobe Travel Partners, at 1-800-235-9386 (Monday – Friday 8:30 am – 7:00 pm CST).

Child Care Services

Please contact the concierge at the hotel at which you are staying for a list of bonded independent babysitters and babysitting agencies. **Note:** Children under 12 are not admitted to the scientific sessions or the exhibit area.

ePosters

Meet the Authors – ePoster sessions are scheduled for Friday, Saturday and Sunday in the Exhibit Hall. Attend in person to meet with the authors and gain additional insights into their research. All times are listed as Central Time.

Friday, November 5, 3:00 – 6:00 pm
Saturday, November 6, 11:35 am – 1:00 pm
Saturday, November 6, 2:35 – 3:00 pm
Sunday, November 7, 9:35 – 10:00 am
Sunday, November 7, 11:35 am – 1:00 pm

ePosters go live online at 9:30 am CT on Thursday, November 4, and are accessible on demand. Search for specific topics or browse at your leisure. ePosters are accompanied with audio/video submissions detailing each abstract. ePosters will remain viewable on demand for six months following the Annual Meeting at epostersonline.com/acaa2021.

ACAAI 2021 Annual Scientific Meeting

Education Program

All times are Central Time.

Thursday, November 4*, 8:00 am – 6:00 pm

Friday, November 5, 8:00 am – 4:30 pm

Saturday, November 6, 7:30 am – 4:30 pm

Sunday, November 7, 8:00 am – 4:30 pm

Monday, November 8, 7:30 am – 1:00 pm

*Separate fee for attendance.

Exhibit Hours

Friday, November 5, 2:00 – 6:00 pm

Saturday, November 6, 9:00 am – 4:30 pm

Sunday, November 7, 9:00 am – 1:30 pm

New Orleans Information

Discover what there is to see and do in New Orleans.

www.neworleans.com/acaai/

Non-CME Corporate Forums and Product Theaters

These non-CME commercial presentations and promotional sessions are organized by industry and designed to enhance your meeting experience. All attendees are invited to attend these sessions, which are scheduled at the end of each day Thursday, Friday, Saturday and Sunday in the Hilton Hotel, and during break times in the exhibit hall.

Session Details

Full details for all sessions (including descriptions and learning objectives) are available online at

annualmeeting.acaai.org.

Special Needs

In compliance with the Americans with Disabilities Act, ACAAI requests that participants in need of special accommodation submit a written request to ACAAI by October 15, 2021.

Temperature

The average temperature in New Orleans in November ranges from a low of 53°F to a high of 72°F.

Tracks

To make it easier for participants to identify Annual Meeting sessions that are relevant to their practice, the College has identified nine critical areas for allergy and immunology. These nine areas make up the Annual Meeting Track System. [View all sessions](#) associated with any of these tracks.

Livestream Program LIVESTREAM

All times are Central Time. For the 2021 Annual Meeting, ACAAI will offer select sessions through our livestream platform. Registration for Livestream sessions provides access to 19 different 90-minute sessions of ACAAI 2021 Annual Scientific Meeting content, providing up to 29.25 hours of CME Credits.*

Livestream registrants are able to participate in real time, including Q&A with the session faculty. Please visit annualmeeting.acaai.org/livestream.cfm for more details.

**Includes the Thursday Dermatology Program and Literature Review sessions, which must be purchased separately.*

On Demand Sessions

On Demand access to the ACAAI 2021 Annual Meeting will be available to registrants of the Annual Meeting, at no additional charge for all general meeting sessions. Access to view and obtain credit for 60+ hours of presentations, will open shortly after the conference. Please visit annualmeeting.acaai.org/ondemand.cfm for details and opportunities to gain CME credit.

Education Information

This activity is supported by educational grants from commercial interests. Complete information will be provided to participants prior to the activity. Educational credit will be available to attendees. Complete details about accreditation and credit designation are [available online](#).

Target Audience

Medical professionals who treat patients with allergic and/or immunological conditions:

- Practicing allergist/immunologists
- Academic allergists including training program and division directors
- Allergy/immunology Fellows-in-Training
- Physician assistants and advanced practice nurses
- Allied health professionals
- Office administrators, billing professionals and nurses
- Primary care physicians and other medical professionals

Overall Educational Objectives

At the conclusion of this activity, participants should be able to:

- Identify major advances in key areas of cutting-edge research in immunologic mechanisms and allergic responses, including anaphylaxis and pathophysiology of the upper airways, lungs, eyes, skin, and gastrointestinal tract.
- Demonstrate knowledge of basic processes linking molecular and cellular biology and genetics with allergic pathophysiology and immunodeficiency.
- Translate emerging clinical science principles to clinical practice in patients with allergic and immunologic diseases.
- Evaluate and implement state-of-the-art diagnostic and therapeutic strategies for treating patients with allergic and immunologic diseases.
- Explain the impact of environmental exposures and external influences on patients with allergic disorders.
- Recognize emerging trends in the prevalence of allergic and immunologic disorders and discuss their impact on public health.

- Evaluate the impact of new diagnostic and therapeutic strategies on health care costs and outcomes.
- Discuss processes, tools and technologies for the efficient allergy and immunology practice.

Disclosure Statement

As required by the Accreditation Council for Continuing Medical Education (ACCME) and in accordance with the American College of Allergy, Asthma & Immunology (ACAAI) policy, the College must identify and mitigate conflicts of interest for all individuals responsible for the development, management, presentation, and/or evaluation relevant to a CME activity. Disclosed information is reviewed in advance, in order to manage and mitigate any potential conflicts of interest. Disclosure in no way implies that the information presented is biased or of lesser quality; it is incumbent upon course participants to be aware of these factors in interpreting the program contents and evaluating recommendations. Specific disclosure information for the 2021 Annual Meeting is located on the [Annual Meeting website](#). A link to disclosures also is provided in the meeting app and all sessions are preceded by speaker disclosures.

Accreditation Statements

The American College of Allergy, Asthma & Immunology (ACAAI) is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to provide continuing medical education for physicians.

Credit Designation

The American College of Allergy, Asthma & Immunology (ACAAI) designates this live activity for a maximum of 29.25 AMA PRA Category 1 Credit™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

Advanced Practice Health Care Providers: This activity has been designated for up to 6 Continuing Education contact hours.

Allied Health Professionals: This activity has been designated for up to 4.50 Continuing Education contact hours.

Hands-on Workshops: Saturday, November 6

Separate Registration Fee • Admission by Ticket Only

1:00 – 2:30 pm

Fee: \$195 (FITs: \$50). Limit 24.

HANDS-ON WORKSHOP

The Use of Case Simulation for the Education of Allergy Emergencies – Spotlight on Anaphylaxis

Moderator: Anne K. Ellis, MD, MSc, FAAAAI

Faculty:

Marcella R. Aquino, MD, FAAAAI

Stephanie Mawhirt, DO

Julie Brown, MD, MPH

Rebecca R. Saff, MD, PhD

Participants will learn to identify and treat infantile and adult anaphylaxis. Additionally, participants will gain first-hand knowledge of the use of simulation for office drills/preparedness of systemic reactions/anaphylaxis in allergy practices. Each participant will be able to have one pediatric and one adult encounter.

1:00 – 2:30 pm

Fee: \$195 (FITs: \$50 / AHP: \$50). Limit 22.

HANDS-ON WORKSHOP

The Patch Testing Spectrum

Moderator: Kelly M. Maples, MD, FAAAAI

Faculty:

Luz Fonacier, MD, FAAAAI

Karin Pacheco, MD, MSPH

Sharon E. Jacob, MD

Participants in this program will be introduced into the next level of patch testing. The topics that will be covered include how to patch test to occupational materials, metal and bone cements used in biomedical devices, and the use of expanded specialized patch test series. This program is best suited for an audience that already possesses the basic skills and knowledge of patch testing.

Audience response and hands on training will be part of this program.

3:00 – 4:30 pm

Fee: \$50. Limit 24.

HANDS-ON WORKSHOP (AHP)

The Use of Case Simulation for the Education of Allergy Emergencies – Spotlight on Anaphylaxis

(Allied Health and Advanced Practice Program registrants only.)

Moderator: Anne K. Ellis, MD, MSc, FAAAAI

Faculty:

Marcella R. Aquino, MD, FAAAAI

Stephanie Mawhirt, DO

Julie Brown, MD, MPH

Rebecca R. Saff MD, PhD

Participants will learn to identify and treat infantile and adult anaphylaxis. Additionally, participants will gain first-hand knowledge of the use of simulation for office drills/preparedness of systemic reactions/anaphylaxis in allergy practices. Each participant will be able to have one pediatric and one adult encounter.

3:00 – 4:30 pm

Fee: \$195 (FITs: \$50 / AHP: \$50). Limit 22.

HANDS-ON WORKSHOP

Punching Through Dermatitis Dilemmas

Moderator: David R. Weldon, MD, FAAAAI

Faculty:

David R. Weldon, MD, FAAAAI

Anil Nanda, MD, FAAAAI

Sandra M. Gawchik, DO, FAAAAI

This will be a hands-on workshop demonstrating techniques in performing a biopsy and the uses of wet wraps and creams. Some case studies may be used to set the stage, but the focus will be hands-on stations. Attendees will rotate through the stations and be assisted by the session faculty.

Thursday Dermatology Program

Thursday, November 4 • 8:00 am – 6:00 pm
Separate Registration Fee • Admission by Ticket Only

8:00 – 11:30 am

All attendees are invited to the ACAAI President's Welcome Reception. Join us at Mardi Gras World and be prepared for a celebration in true New Orleans fashion! Since 1947, artists and craftsmen have designed and built the oldest and biggest parade floats and attractions for each Mardi Gras season, with more than 500 floats built and decorated each year. In the float den, you will see where the artists work year-round to build the spectacular floats and props. You never get this close to the floats while they are rolling in Mardi Gras parades, and this is certainly the only place to see how these amazing pieces come to life each year.

The Use of Case Simulation for the Education of Allergy Emergencies – Spotlight on Anaphylaxis

Fee: \$50. Limit 24. (Allied Health and Advanced Practice Program registrants only.)

Moderator: Anne K. Ellis, MD, MSc, FAAAAI

Faculty:

Marcella R. Aquino, MD, FAAAAI

Stephanie Mawhirt, DO

Julie Brown, MD, MPH

Rebecca R. Saff, MD, PhD

Participants will learn to identify and treat infantile and adult anaphylaxis. Additionally, participants will gain first-hand knowledge of the use of simulation for office drills/preparedness of systemic reactions/anaphylaxis in allergy practices. Each participant will be able to have one pediatric and one adult encounter.

Friday, November 5

4:45 – 6:00 pm

Advanced Practice, Allied Health and Office Administrators Networking Reception

Alliance of the ACAAI Program

The Alliance of the American College of Allergy, Asthma & Immunology hosts a variety of social events and programs for registered spouses and guests throughout the Annual Meeting. We are hard at work selecting speakers for Friday, Saturday, and Sunday mornings.

Friday through Sunday, November 5 – 7

8:00 – 10:30 am

Alliance Hospitality Suite

Registered spouses and guests are invited to start the day with a visit to the hospitality suite. It's a perfect way to connect with old friends and meet new ones.

Friday, November 5

8:30 – 9:30 am

Let's Get Reacquainted and/or Make New Friends

Share your uplifting and challenging COVID-19 experiences.

Saturday, November 6

8:30 – 9:30 am

The History of New Orleans

Find out how New Orleans was settled, who was already there, and how the Mississippi River played a major part in the settlements.

Sunday, November 7

8:30 – 9:30 am

All That Jazz

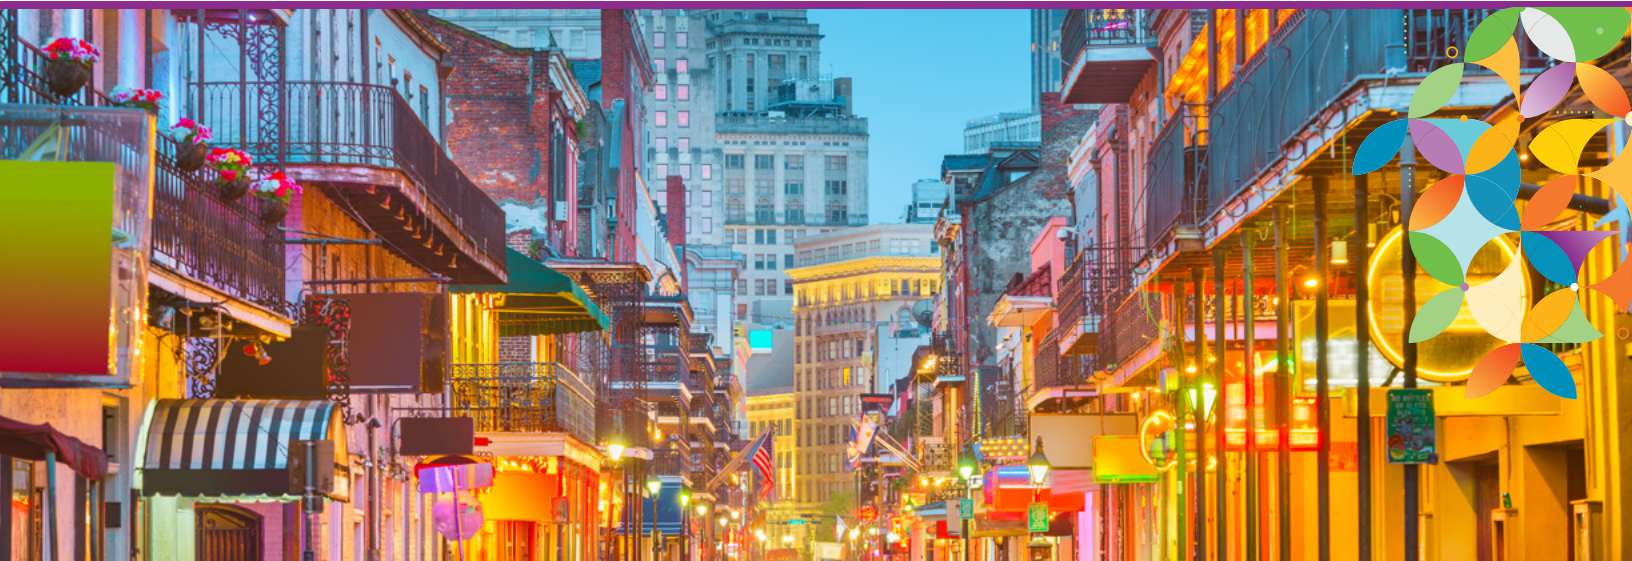

Learn about jazz in the Big Easy. The presentation includes Q&A followed by a performance.

Noon – 3:00 pm

Alliance Luncheon

Registration Required • Fee \$30 • Limit 50

Spouses and Alliance members are invited to attend the Alliance Luncheon.

The Alliance of the ACAAI

About the Alliance

Who We Are

The Alliance is a component organization of the American College of Allergy, Asthma & Immunology whose members are spouses of College members. We foster friendships, support College awards and grants and assist in the success of the Annual Meeting. We are composed of men and women dedicated to bringing its members into a more active affiliation with the educational and cultural mission of the College by establishing scholarships and travel grants for young ACAAI investigators, providing a program of educational and social activities in the convention city, and cultivating and strengthening a family atmosphere among its members.

What We Do

Since its inception in 1954, the Alliance has supported and augmented the activities of the College and its mission of education by encouraging the growth of the specialty of allergy and clinical immunology. For the youth, the Alliance offers "ACAAI KIDS" programs with adult accompaniment. We offer social and educational programs during the Annual Meeting for members and guests.

Alliance Member Benefits

A membership with the Alliance ensures that you'll stay updated on both College and Alliance news and activities with the ability to receive College Advantage (a quarterly newsletter) and College Insider (a weekly email). Members will receive access to the Hospitality Suite at the ACAAI Annual Scientific Meeting, where we offer coffee and a continental breakfast to registered spouses and guests! There you can meet with other attendees to make new acquaintances and reconnect with old friends.

On select mornings, join us for special programming designed with the convention city in mind – in the past we have heard from historians, local artisans, authors and chefs who present us with ideas on the best places and things to see and do while at the meeting. The Alliance also works to raise funds for The Allergists' Foundation. As a philanthropic arm of ACAAI, the Foundation supports the advancement of clinical allergy, asthma and immunology both internationally and domestically by funding research and educational programs that address important needs within our specialty. Past fundraisers include silent auctions and the sale of cookbooks and notecards.

To Apply

An applicant must be a spouse or partner of a College Fellow or Member.

Application fee: None

Annual dues: None
